Family Prayer

God, we thank you for calling us to do things to help you and each other in the world. Give us good courage and confidence when you ask us to do something that seems impossible. AMEN.

TALK ABOUT IT

Family Conversations

- 1** What is the most amazing thing you have ever seen?
- 2** What do you think God needs YOU to do? What can we do to help each other be willing to do what God asks of us?
- 3** How and when does God talk to you?
- 4** What are the big and little challenges you have coming up this week? How can God help you?

Eye Spark

When you see the flame of a candle or flames in a fireplace, remember God speaking to Moses.

Ear Spark

When you hear someone in your family or a guest come into your home, ask them to take off their shoes and remind them of Moses.

LIVE IT

For families to do together

Build a fire or light a candle and talk about what you think God's voice sounds like.

For younger kids

Ask your pastor if you can help to clean or shine some of the holy things in your church.

For older kids

On the internet, find a song about Moses being called to help God free the Israelites. Or at the library, listen to it or learn to sing it yourself! One popular song titled, "Pharaoh, Pharaoh" is based on the song "Louie, Louie," written by Richard Berry in the 1950s.
