

Names in Names

Uh oh! It looks like the names of some of animals are mixed up! To figure out the names of the animals, circle every other letter in each row of letters. When you're done, the circled letters will spell the name of an animal. So will the uncircled letters!

H H O I R P S P E O

C D A O T G

L B I I O R N D

S Z N E A B K R E A

M T O U N R K T E L Y E

L D A O M V B E

G L I E R O A P F A F R E D
